ALAMO GROUP INC. ADDED TO STANDARD & POOR'S SMALLCAP 600® INDEX

SEGUIN, Texas, May 23, 2016 - Alamo Group Inc. (NYSE: ALG) today announced that it was added to the S&P SmallCap 600 Index as of the close of trading on Friday, May 20, 2016.

The S&P SmallCap 600 is designed to measure the performance of 600 small-size companies in the U.S. reflecting this market segment's distinctive risk and return characteristics. Measuring a segment of the market that is typically known for less liquidity and potentially less financial stability than large caps, the index was constructed to be an efficient benchmark composed of small-cap companies that meet investability and financial viability criteria.

Ron Robinson, Alamo Group's President and Chief Executive Officer, commented, "We are pleased to have been selected to join this fine roster of small cap U.S. companies. This achievement is a credit to all of those at Alamo Group who have contributed to our successful growth over the years. We look forward to continuing to build on what we have accomplished to the benefit of our employees, customers and shareholders."

ABOUT S&P DOW JONES INDICES

S&P Dow Jones Indices LLC is the largest global resource for essential index-based concepts, data and research, and home to iconic financial market indicators, such as the S&P 500® and the Dow Jones Industrial Average®. More assets are invested in products based on our indices than based on any other provider in the world. With over 1,000,000 indices and more than 115 years of experience constructing innovative and transparent solutions, S&P Dow Jones Indices LLC defines the way investors measure and trade the markets.
